## PRE-KINDERGARTEN PROGRAM

Our Pre-Kindergarten class is designed to prepare a child for Golden Hills Christian School Kindergarten. Our teacher is trained specifically in Early Childhood Development. She will be teaching A Beka Pre-K curriculum.

A Beka is a Christian based phonics program that will lay a foundation for those children entering GHCS Kindergarten the following fall. In addition, seasonal thematic units will be incorporated, as well as multisensory learning techniques.

## OUR COMMITMENT AND GOAL

Golden Hills Christian Pre-K program is committed to partnering with parents to foster academic, social, physical, and biblical training. This is achieved through a hands-on, age-appropriate program.

It is our desire to give your child a solid foundation so they will be ready and confident to enter our Kindergarten program.
